

## POINT OF SALE (POS)

### **POSLAB** **DESIRE**

The **Poslab DESIRE**, all-in-one Point of Sale (POS) terminal combines elegance, reliability and small footprint. The touch screen is **splash proof** and its high light transmittance enables comfortable operation even in dark environments. Robust industrial circuit and components with onboard CPU in combination with **100% fanless** system design, provide a POS that the professional retailer can operate with confidence.

The **DESIRE** has Windows 10 IOT operating system. Peripheral options consist of magnetic stripe card reader, 2x20 VFD or **10" LCD customer display** which complete the needs of the demanding POS user. The powerful J1900 quad core processor and the SSD storage unit technology, ensure the smooth operation of any application.
